

Dear Photographers:

Boardman Soccer Association is a non profit organization that coordinates approximately 500 Recreational and 150 Competitive Soccer Players. One of our functions is to provide avenues for parents to commemorate their child's participation in our league through the purchase of individual and team pictures. Your photography company has shown interest in providing services to fill this function. Due to multiple companies interested in providing these services we are offering your company an opportunity to provide a proposal to be evaluated by the Board of Directors.

Each year organizing this type of function can and has proven to be a challenging event to coordinate. The Recreational Division would like the photo times to be scheduled before their game on Saturday, September 10<sup>th</sup>, 2011. Scheduling and processing time needs to be maximized to get all players through before their scheduled game yet minimized to reduce the down time between photos and game time. The Competitive Division will have their photos taken on Sunday September 11<sup>th</sup>, 2011 after 12:00pm.

If you are interested in providing services to our organization please provide a brief yet descriptive approach to the following:

- \*Process of photographing individuals and teams.  
(#of photographers dedicated to Individual and team photos)
- \*List of items/photos w/prices include package deals.
- \*Please include some samples (Samples will not be returned)
- \*Any rebates to Boardman Soccer Association

Please mail your proposal and all supporting documentation to:

**By no later than March 1st, 2011** for consideration for the 2011 fall season.
